

Euthanasia Form- Livewell Animal Hospital Green Valley Ranch

We understand that making this decision is one of the most difficult acts of love for a cherished companion. To help us prepare for your pet's appointment and ensure we honor your wishes for aftercare, please complete this form before your visit. We will carefully review your selections and confirm all details with you when you arrive.

Additional consent forms will be completed and signed at the time of your appointment. A member of our team will contact you beforehand to confirm your appointment and answer any questions or concerns you may have.

If your pet has not previously been examined by one of our veterinarians, Colorado law requires that we perform an examination before euthanasia can be provided.
